

FUNDRAISING WITHOUT THE HASSLE

According to the National Coffee Association, 62 percent of people in the U.S. age 18 and above drink at least one cup of coffee per day.

Undoubtedly, the same is true of your supporters, members, and fans.

With Fresh Horizons Coffee Company, your organization can earn up to 18%¹ of every coffee purchase².

Setting up the fundraiser is as easy as 1 2 3!

- Complete the online registration form
- Download and print the fundraising materials
- Start raising money

Direct your supporters to buy their coffee (and cocoa!) from Fresh Horizons Coffee Company. Or better yet, they can set up a monthly subscription and your organization will receive a percentage of every order.

Two ways to order:

1. Send customers to your unique web address³ (example: www.FreshHorizonsCoffee.com/OID/EpilepsyFoundation) where they can order whenever they want and we'll ship directly to them.
2. Distribute our traditional fundraising order form and bundle orders for shipment to your organization.

The more they buy, the more your organization earns!
